info@magicalcelebrations.com /310 993 3143

This is a SAMPLE script of a Superhero and a Princess together for boys and girls. Sometimes it's best to have two performers if you have a large group. However, if you wish to only have only ONE actor then we can still do the exact same activities. We have specific scripts for all characters. Please fill out a request form, or call the office for your script and prices.

Note: Magical Celebrations does not wish to infringe on copyright characters. We use non named brands. Please call the office if you have questions.
